

January 1<sup>st</sup> 2021

Dear customer

Due to the increasing infection rates, Stratford has moved into tier 4 and we have to close the showroom for a third time.

Hopefully, with the vaccines rolling out, it will only be for a couple of weeks and we can again open the doors and allow you to come and take advantage of our January Sale

The doors not being open does not mean we are not trading. All orders already placed are in the process of being produced and we shall be receiving products into our warehouse over the coming months. All customers will be advised once goods are in and we shall still be making deliveries following safety guidelines.

The showrooms are fully stocked with items of furniture and many accessories (Mirrors, pictures, lamps, ornament etc) over the next few days and weeks pictures and videos will be posted on our Facebook pages showing all items available to buy from stock or off display, offering fabulous Sale prices. Arrangements can be made for either collection or free local delivery on larger pieces. Please email or call – there will be someone in the shop on occasional days. If we do not answer we will come back to you very soon after.

Please, while we work on completing our new website, if you have any furniture requirements small or large, don't just take a chance online from an unknown source. Send us an email with your thoughts and aspirations and we will work with you, remotely for the time being, sending you ideas, prices and availability on pretty much anything you might have in mind

Please dip into Facebook now and again to see if there is anything tempting in store.

please keep safe, and we will see you again shortly.

Karl, Haidee and Elise.
